

Versamatic™

14 and 18 Inch Upright Vacuums

The number one 2-motor upright in the industry.

The Popular Choice

For years, the Versamatic vacuum has provided cleaning professionals with the cleaning performance and dependability they need to do their job. Versamatic's 1,000 watt vacuum motor and long, trouble-free service life have made this vacuum the most popular 2-motor upright in the cleaning industry.

Deep Cleaning Power

In a single pass, Versamatic's 1000 watt vacuum motor and separate brush motor allow you to clean deep into the carpet and remove dirt that can damage your carpet.

Rugged Durability

Precision engineering and durable construction enable Versamatic to withstand years of daily use. Its injection-molded, high impact ABS plastic construction ensures a long machine life. Versamatic gives you the added assurance of a Three Year Warranty on the vacuum motor, brush motor and belts.

Improved Air Quality

Versamatic's Triple Check filter bag and optional 0.3 micron Air Quality Microfilter improve indoor air quality by trapping contaminants, preventing them from being recirculated into the air.

Technical Specifications

	VS14	VS18
Order Number.:	1.012-008.0	1.012-009.0
Vacuum Motor:	1000 watt, 80" waterlift, 105 cfm (50 ltr/s)	Same
Housing:	Injection molded, high impact ABS plastic	Same
Brush Drive:	Non-slip timing belt with electronic overload protection	Same
Brush Motor:	150 watt	200 watt
Dust Bag Capacity:	Triple layer bag with 323 in ³ (5.3 ltr) capacity, enclosed, top-loading	Same
Brush Width:	12.25" (31 cm)	16.25" (41 cm)
Sound Level:	66.1 dBA	66.4 dBA
Cable:	40' (12 m)	Same
Electrical:	120V, 60 Hz	Same
Height:	48" (122 cm)	Same
Width:	14" (36 cm)	18" (46 cm)
Weight:		
With Cable:	20 lbs (9.1 kg)	21 lbs (9.5 kg)
Without Cable:	18 lbs (8.2 kg)	19 lbs (8.6 kg)
Shipping Weight:		
Approvals:	UL listed to U.S. and Canadian safety standards	Same
Accessories:	Package of bags (2003 / 8.600-046.1) Optional HEPA grade filter (1435 / 8.600-179.0) Standard motor filter (1044 / 8.614-333.0)	Same

Specifications are subject to change without notice.

Performance Features

Versamatic cleans right up to baseboards and furniture.

Four brush height adjustments come standard on 14 and 18 inch models.

Independent motor drives only the brush. "Belt gap" of single motor machines is eliminated.

Toothed neoprene timing belt ensures slip-free brush drive.

The large capacity, top-filling bag slides easily into the machine housing. The door will not close if the bag is missing or if the bag and filter are not in place.

Electronic Control System:
Green light—brush setting is correct.
Green and red lights—brush setting is too high or brush needs to be replaced.
Red light—brush motor is obstructed and has automatically turned off.
